Do you want to
help to shape
London Midland?

Join the London Midland passenger panel

We are looking for passengers who want to be involved in London Midland.

We want to listen to your voices we want to hear what you have to say.

The role of the panel will be a consultative one with the views and opinions of the panel members gathered on a regular basis.

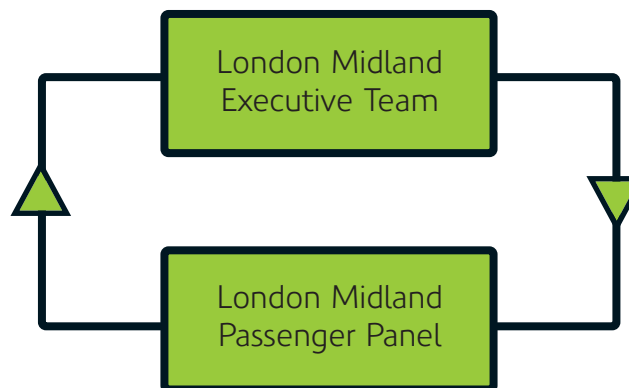

Panel members will also be able to contribute to regular consultations that we at London Midland hold giving us the opportunity to hear first hand the views of our key customers.

Panel members will gain a dedicated section of the website where they can keep up to date with regular briefings from London Midland on a wide variety of issues.

From our 1,000 passenger panel, we will be drawing up a short list of 8-10 passengers who are reflective of and represent our passenger base and communities served to sit on London Midland's passenger forum which will meet three times a year.

So if you want to get involved and help shape your railway company then it's time to apply.

Steven Banaghan
Managing Director
London Midland
